

Domains

Why should I register my Domain Name with 1st Domains?

Here are a few reasons to register your domain name with 1st Domains:

New Zealand's Best-Priced Domain Name Registration

We offer New Zealand's best-priced domain names, combined with free parking services to put your domain name to good use. See our Pricing & Services page for more information.

Free Domain Name Services*

All domain name registrations and transfers to 1st Domains include:

- Domain parking
- Email forwarding
- URL redirection
- DNS zone record management

Account Management Interface

Managing your domain names is easy with our Account Manager. You can renew your domain, update contact details, and set up free services—all from one central place.

Excellent Customer Service

Our service is backed by helpful, responsive, and knowledgeable support from a team of experienced domain name professionals, available via email or phone.

***Note:** Your domain must be using our Name Servers to access these services.
