

Domains

Does 1st Domains do bulk domain name registrations?

If you have multiple domain names to register with 1st Domains, you can save time by using our Bulk Registration service.

On the Bulk Registration page, list all the domain names you wish to register, with one domain name, including its extension, per line.

A maximum of 25 domain names can be registered at one time using this service.

Use the [bulk registration page](#) here.
