

Account

I've lost my Account Number or Password

If you have lost or can't remember the password and or your 1st domains account ID for your account, you can request this through your 1st Domains Account. The password request page can be found here: [Lost Password request link](#)

Enter your domain name or Account Number to have the details emailed to the Admin contact listed on WHOIS for domains in your account.

Unique solution ID: #1035
