Do you offer a reseller plan?

Our service is particularly popular with Internet professionals who manage domain names on behalf of clients.

Volume pricing is offered to all clients of 1st Domains, so you don't need to sign-up to a 'reseller plan' to have the benefits.

Here are a few reasons why we're popular with resellers:

New Zealand's Best Priced Domain Name Registration

We offer New Zealand's best priced domain names combined with free parking services to put your domain name to good use. See our [Pricing & Services](#) page for more information.

Free Domain Name Services

All domain name registrations and transfers to 1st Domains include:

- Domain parking
- Email Forwarding
- URL Redirection
- DNS Zone Management Interface

Account Management Interface

Managing your domain names is easy with our Account Manager. Manage all aspects of your domain name from renewing, updating contact details to setting up free services all from one central place

Excellent Customer Service

Our service is backed by helpful, responsive and knowledgeable support from a team of experienced domain name professionals via email or phone.

Additional Information for Resellers of .nz

The Domain Name Commission has published a helpful guide for resellers of .nz domain names.

[Keeping the Customer Satisfied](#) - a Guide for .nz Resellers

If you register domain names on behalf of your clients, this brochure is for you. It sets out the rules you must abide by, gives all the information you need to operate your domain name reseller business smoothly within the .nz space, and guides you to the policies that apply to your situation.
